## **Chapter 1 - STATEMENT OF POLICIES AND OBJECTIVES**

### **INTRODUCTION**

The Housing Choice Voucher (HCV) Program, previously known as the Section 8 Program, was enacted as part of the Housing and Community Development Act of 1974, which re-codified the U. S. Housing Act of 1937. The Act has been amended from time to time, and its requirements, as they apply to the HCV Programs, are described in and implemented through this Administrative Plan ("the Plan").

Administration of the HCV Program and the functions and responsibilities of the Department of Housing and Community Development (HCD) staff shall be in compliance with the personnel policy of HCD and the U. S. Department of Housing and Urban Development's (HUD) HCV Program regulations, as well as all Federal, State and local Fair Housing laws and regulations.

### **HCV PROGRAM PURPOSE (24 CFR 982.1)**

HUD's strategic goals for the HCV Program are:

1. To increase the availability of decent, safe and affordable housing.
2. To improve community quality of life and economic vitality.
3. To promote self-sufficiency and asset development of families and individuals.
4. To ensure equal opportunity in housing for all Americans.

### **ADMINISTRATIVE PLAN PURPOSE (24 CFR 982.54)**

The purpose of the Administrative Plan is to establish local policies for administration of the HCV and Family Self-Sufficiency (FSS) Programs in accordance with HUD regulations and requirements. The Administrative Plan states the Public Housing Agency (PHA) policy of matters for which the PHA has discretion to establish local policies and is a supporting document to the PHA Five-Year/Annual Plan. The Plan covers both admissions and continued participation in these programs. Policies are the same for both programs, unless otherwise noted.

HCD/Subcontractors are responsible for complying with all subsequent changes in Federal requirements pertaining to these programs. If such changes conflict with this Plan, HUD regulations will have precedence.

**FAIR HOUSING POLICY (24 CFR 982.304)**

It is the policy of HCD to comply fully with all Federal, State, and local nondiscrimination laws and with the rules and regulations governing Fair Housing and Equal Opportunity in housing and employment.

Specifically, HCD shall not on account of race, color, sex, religion, creed, national or ethnic origin, age, family or marital status, handicap or disability deny any family or individual the opportunity to apply for or receive assistance under HUD's HCV and FSS Programs, within the requirements of the HUD regulations.

To further its commitment to full compliance with applicable Civil Rights laws, HCD will provide Federal, State, and local information to HCV participants regarding "discrimination" and any recourse available to them should they feel they have been the victim of discrimination. Such information will be made available during the family briefing session and all applicable Fair Housing information and discrimination complaint forms will be made a part of the HCV packets.

HCD subscribes to HUD's "open-housing" policy and, as such, directs HCD/Subcontractors to maintain a list of available housing submitted by owners in all neighborhoods within HCD/Subcontractor's jurisdiction to ensure greater mobility and housing choice to extremely low and very low-income households served by HCD/Subcontractor.

## **PRIVACY RIGHTS AND SECURITY OF TENANT FILES (24 CFR 5.212)**

All applicants are required to sign the Federal Privacy Act Statement form, which states the conditions under which HUD/HCD/Subcontractors will release tenant information. HCV Program practices and procedures are designed to safeguard the privacy of applicants and HCV Program participants.

Any document containing an applicant, tenant, or landlord's social security number or other confidential item that is no longer required, will be confidentially destroyed (shredded) to ensure privacy/confidentiality. Prior to such confidential destruction, HCD/Subcontractor will document in the tenant file all confidential items (i.e., police reports, background checks, etc...) that have been reviewed and/or relied upon in its determinations including, but not limited to, document origination, contact information, document type, and document identifying number/reference.

All applicant and participant files will be stored in a secure location that is only accessible by **authorized** staff. Tenant files will be retained by HCD for seven years, and by Subcontractors for three years, after cancellation/termination of program assistance. After the appropriate retention period, the tenant files will be confidentially destroyed (shredded) to ensure privacy/confidentiality.

## **STORING PERSONAL INFORMATION ON PORTABLE COMPUTING DEVICE**

In order to comply with State and federal laws regarding the loss of computer equipment that contains personal information, it is the Department's policy that no personal information is to be stored on any HCD portable computing device and/or portable electronic storage device.

Portable computing devices include but are not limited to laptops and notebook computers and Blackberrys. Portable electronic storage media include CDs, diskettes; flash drives and thumb drives.

Personal information means an individual's first name or first initial and last name in combination with any one or more of the following:

- (1) Social security number;
- (2) Driver's license number or California Identification Card number; or
- (3) Account number, credit or debit card number, in combination with any required security code, access code, or password that would permit access to an individual's financial account.

To ensure compliance with this policy, please ensure that you do not save any personal information on any laptop, flash drive; CD's etc. If you believe you have a business need to store such information in a transportable format, you must receive written permission from your supervisor (HCD) and training from the IT Branch on how to properly encrypt such information. Maintaining the confidentiality of personal information is of utmost importance and the loss of a storage device with such information must be reported immediately.

The policy applies to all portable computing devices or portable electronic storage media that contain State data, including equipment owned by employees, vendors, contractors, or researchers.

### **FAMILY OUTREACH (24 CFR 982.201(b)(2))**

HCD/Subcontractor will provide notification to the public of the availability and nature of housing assistance for extremely low and very low-income families. Such notification will begin at least 30 days prior to the opening of the waiting list through publication of notices in newspapers of local circulation, minority media, and other suitable means.

#### **The Notice shall:**

- Advise the public that applications will be taken at a designated date, time, location and what, if any, preferences are being accepted; and
- Briefly describe the HCV Program.

To reach persons who do not have access to a local newspaper, HCD/Subcontractor shall post Program information on the HCD website and distribute fact sheets to libraries, social service offices and other agencies as determined appropriate by HCD/Subcontractor.

### **OWNER OUTREACH (24 CFR 982.54(d)(5))**

HCD/Subcontractor issues public invitations to owners as needed to make dwelling units available for leasing by eligible families. On a continuing basis, HCD/Subcontractor will welcome the participation of owners of decent, safe, and sanitary housing units.

HCD/Subcontractor makes personal contact through formal or informal discussions/meetings with private property owners, property managers, and real estate agencies. HCV Program requirements are explained and printed material is offered to acquaint the owner/manager with the opportunities available under the program.

HCD/Subcontractor maintains a list(s) of interested landlords and their property available for the HCV Program and updates this list as new information is received. When new units become available, HCV Program staff will make the information available to prospective tenants.

## **Chapter 3 - ELIGIBILITY FOR ADMISSION**

To be eligible for admission to the HCV Program, an applicant must meet HUD's criteria for eligibility determination, as well as any permissible additional criteria established by HCD.

HUD's eligibility requirements are:

### **FAMILY COMPOSITION (24 CFR 982.201)**

The applicant must qualify as a family. The family may be a single person or a group of unrelated persons or a family related by blood, marriage or operation of law. Discrimination on the basis of familial status is prohibited and a group of persons may not be denied solely on the basis that they are not related by blood, marriage or operation of law.

#### **Head of Household**

The head of household is the adult member of the household who is designated by the family as head, is wholly or partly responsible for paying the rent, and has the legal capacity to enter into a lease under State/local law.

Emancipated minors who qualify under State law will be recognized as head of household.

#### **Joint Custody of Children (24 CFR 982.315)**

Children who are subject to a joint custody agreement but live with the parent who is a voucher applicant or recipient for at least 51% (183 non-consecutive days) of the time will be considered members of that household.

#### **Child in Foster Care**

A child who is temporarily away from home because of placement in foster care is considered a member of the family. This provision only pertains to the foster child's temporary absence from the home, and is not intended to artificially enlarge the space available for other family members.

## **Live-In Aide (24 CFR 982.608(b) & 24 CFR 982.615(b)(1))**

Prior approval from HCD must be received before a Live-In Aide may reside in the unit.

A Live-In Aide may be approved to reside with a family, if:

- It is determined by HCD to be essential to the care and well being of an elderly person, a near-elderly person (50-61), or a person with disabilities;
- It is determined by HCD that the Live-In Aide is not obligated for the support of the person(s); and
- It is determined by HCD that the Live-In Aide would not be living in the unit except to provide care for the person(s).

A Live-In Aide will be treated differently than family member(s):

- Income of the Live-In Aide will not be counted for purposes of determining eligibility or level of benefits.
- Live-In Aides are not subject to Non-Citizen Rule requirements.
- Live-In Aides may not be considered as a remaining member of the tenant family.
- Live-In attendants will generally be provided a separate bedroom.

Relatives are not automatically excluded from being Live-In Aides, but they must meet all of the elements in the Live-In Aide definition described above.

Family members of a Live-In Aide may only reside in the unit with the approval of HCD. If approved, HCD will allow them to reside in the unit, but will not count them when determining unit size and/or when determining the appropriate Payment Standard to apply. The Live-In Aide will be counted when determining the family unit size.

Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or case worker. The verification must be submitted on letterhead, dated and signed, and provider must certify that a Live-In Aide is needed for the care of the family member, including information on the duration, amount and type of care needed. ~~who is elderly, near-elderly, or disabled.~~

HCD has the right to disapprove a request for a Live-In Aide based on other criteria (See Chapter 18, Denial/Termination of Assistance).

## **Changes in Family Composition**

HCD/Subcontractor may verify changes in family composition (either reported or unreported) through letters, telephone calls, utility records, inspections, landlords, neighbors, credit data, school or DMV records, and other sources. However, the burden of proof that an individual has moved out of an assisted unit, or lives elsewhere, rests on the family.

## **ANNUAL INCOME LIMITATIONS (24 CFR 982.201(b))**

Annual income shall not exceed the very low-income limit, as established by HUD and published in the Federal Register. In addition, the household income of 75% of all new admissions to the HCV Program must have incomes at or below 30% of the Area Median Income (i.e., extremely low-income limit, as established by HUD). HCD/Subcontractor shall limit new admissions at or below 30% of the Area Median Income to a level between 75% and 80% and, when necessary or as notified by HCD, admit applicants regardless of preferences or priorities to meet this requirement.

## **Income Targeting**

Income targeting is not applicable to: 1) conversion of a participant's assistance from the Certificate to the Voucher Program; 2) continuously assisted families; or 3) families subject to displacement as a result of the prepayment of a mortgage or voluntary termination of an eligible low-income housing contract.

## **SOCIAL SECURITY NUMBERS (24 CFR 5.216)**

Families are required to provide Social Security Numbers ([SSN](#)) for all family members age six and older prior to admission, or certify they do not have a ~~Social Security Number~~. [The certification should state the individual's name, that the individual has not been assigned a SSN, that the individual will disclose the number if he or she later gets one, and be signed and dated.](#) If the individual is under 18, his or her parent or guardian must execute the certification. ~~When the individual obtains a Social Security Number, it must be disclosed at the next regularly scheduled income reexamination.~~

Verification is completed by the provision of a valid Social Security Card issued by the Social Security Administration or other acceptable documentation of Social Security Number such as a Military I.D. Card.

[If an individual furnishes a SSN, but not the required documentation, a written certification must be executed by the individual \(or his/her parent or guardian if under 18\). The certification should state the individual's name, the SSN, that the individual is unable to submit the documentation, and be signed and dated. The](#)

individual has 60 days from the date of certification to obtain necessary documentation to verify the SSN disclosed. Failure to disclose SSN may result in the denial of assistance for applicants and termination of assistance for participants.

**CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS (24 CFR 5.504 (a)(b), 5.506, 5.508, 5.512)**

In order to receive assistance, a family member must be a U. S. citizen or eligible immigrant. Individuals who are neither may elect not to declare their status. Eligible immigrants are persons who are in one of the six immigrant categories as specified by HUD.

For the Citizenship/Eligible Immigration requirement, the status of each member of the family is considered individually before the family's status is defined.

**Mixed Families (24 CFR 5.506(b)(2))**

A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed". Such applicant families will be given notice that their assistance will be pro-rated and that they may request an informal review if they contest this determination.

HCD ~~citizenship~~ eligibility requirements are:

**BIRTH CERTIFICATES**

HCD/Subcontractor shall require birth certificates to support citizenship and dependent status of family members. If a family members' birth certificate is not provided as requested, HCD will exclude that family member when determining family composition.

**AGE ELIGIBILITY**

Applicants to the Housing Choice Voucher Program (i.e., head of an assisted household) must be old enough to enter into a lease, which is a legally enforceable written agreement, or contract. Individuals not meeting this criteria will not be authorized to submit an application for purposes of placement on the waiting list or obtaining program assistance.

## **Chapter 4 - APPLYING FOR ADMISSION**

### **HOW TO APPLY**

Families who wish to apply for any of HCD/Subcontractor programs must complete a written application form when applications are being accepted. For an application, contact the HCD/Subcontractor providing services in the county of interest.

### **APPLICATION PROCESS**

The application process will involve two phases. The first is the “initial” application for assistance (referred to as a pre-application). This first phase results in the family’s placement on the waiting list.

The second phase is the “final determination of eligibility” (referred to as the full application). The full application takes place when the family reaches the top of the waiting list. At this time, HCD/Subcontractor ensures that verification of all HUD and PHA eligibility factors are current in order to determine the family’s eligibility for the issuance of a voucher.

### **ACCEPTING APPLICATIONS**

Applications will be accepted according to the open waiting list announcement. Applications will be date stamped when received in the HCD/Subcontractor office and added to the waiting list accordingly. (See [Chapter 5](#), Waiting Lists).

## **Chapter 5 - WAITING LIST(S)**

A waiting list will be maintained for each county served by HCD/Subcontractor. Each waiting list will be organized according to date and time of application. Exceptions to this policy will be for budget necessity and/or preference placements only.

(Budget Necessity Exception: Under the terms of the Consolidated Appropriations Act of 2005, HCD must control lease rates to ensure that there is sufficient rental assistance to cover all obligations. Consequently, HCD may choose to centralize lease-up activity as necessary to control costs and meet other Federal requirements. To the extent that HCD finds it necessary to centralize lease-up activity, and at its sole discretion, HCD will seek to balance waiting list priority to the greatest degree practical within budget necessity.)

### **OPENING AND CLOSING OF WAITING LIST (24 CFR 982.206(a); 982.54(d)(1))**

The opening of the waiting list (accepting applications) shall be undertaken in accordance with HUD requirements and adequate notification shall be provided in accordance with the Administrative Plan (See Chapter 2, Family Outreach).

### **Income Targeting (24 CFR 982.201(b)(2))**

When there is not a sufficient pool of extremely low-income families (30% of the Area Median Income) on the waiting list, HCD/Subcontractor will conduct outreach efforts and open the waiting list to extremely low-income families only.

### **REMOVAL FROM WAITING LIST AND PURGING**

Depending on how quickly the HCD/Subcontractor waiting list turns over, the waiting list should be purged at least once a year by a mailing to all applicants to ensure that the waiting list is current and accurate. The mailing will ask for confirmation of continued interest.

Any mailings to the applicant which require a response will state that failure to respond within 10 working days will result in the applicant's name being dropped from the waiting list. An extension of 5 working days to respond will be granted, if requested and/or needed as a reasonable accommodation for a person with a disability.

If the applicant does not respond and is removed from the waiting list, the removal should be documented. HCD/Subcontractor shall send a waiting list removal letter to the applicant (with the reason for the removal from the waiting list), and attach it to the purge file.

If a letter is returned by the Post Office with or without a forwarding address, the applicant will be removed from the waiting list without further notice, and the envelope and letter will be maintained in the file.

If an applicant is removed from the waiting list for failure to respond, they will not be entitled to reinstate unless the HAP Program Manager determines there were circumstances beyond the person's control.

### **MANAGEMENT OF WAITING LIST**

Individuals and/or families who previously participated in the HCV Program and whose assistance was terminated for cause, are ineligible to receive assistance for a period of three years from the date assistance was terminated. If the individual and/or family has reapplied for the HCV Program and becomes reachable on the waiting list before their term (three years) is up, HCD/Subcontractor will bypass the family and serve the next reachable applicant on the waiting list, until the three year requirement has been met. (See Chapter 18, Denial/Termination of Assistance).

## Chapter 6 - PREFERENCES (24 CFR 982.207)

### **HOW TO APPLY FOR A PREFERENCE**

Individuals certifying themselves as being either involuntarily displaced or a victim of domestic violence, as described below, may submit an application, or amend an application if currently on the waiting list, at any time (i.e., the county waiting list does not have to be open at the time of application/amendment).

HCD/Subcontractor will place the applicant on its waiting list according to the date and time the application/amendment was received, as well as the preferences they claim.

When pulling applicants from the waiting list, HCD/Subcontractors will give priority consideration to applicants with a preference over applicants that applied earlier but have no preference. Among applicants with equal preference status, assistance will be provided by date and time of application, with priority given to applicants who are claiming an involuntary displacement preference. In the case of a federally declared disaster, HCD may also choose to establish families who are Section 8 voucher holders or public housing residents in another jurisdiction as top priority.

Before a family certifying a preference receives assistance, HCD/Subcontractor will verify that the family qualifies for any preference that it claims. If the preference claimed at the time of application submittal has changed or is not substantiated upon verification, the applicant will either:

- (1) be placed back on the waiting list in order of receipt by date and time, if the waiting list was open at the time of application; or
- (2) be removed from the waiting list, if the waiting list was closed at the time of application.

Preferences affect only the order of applicants on the waiting list. They do not make anyone eligible who was not otherwise eligible.

### **VERIFICATION OF PREFERENCE CLAIMED**

To be eligible for a preference, HCD must receive written documentation from the appropriate government, or substantiating, agency confirming the applicant's involuntary displacement or domestic violence status. The applicant must also provide written verification of their current residence or location of where they are, or have been, staying.

## **PREFERENCE CATEGORIES**

### **Preference 1: Involuntary Displacement**

Applicants qualify for an involuntary displacement preference under the following conditions:

- They have been involuntarily displaced by a disaster (e.g., flood, fire, earthquake) that has been officially declared as such by a Federal, State, or local government agency.
- They have been involuntarily displaced by a governmental action beyond the families control (e.g., code enforcement, neighborhood redevelopment).

In addition:

- They must not be living in standard permanent replacement housing; and
- The involuntary displacement must have occurred no more than one year prior to the date of the application.

### **Preference 2: Domestic Violence**

Applicants qualify for a domestic violence preference under the following conditions:

- They have been the victim of actual or threatened violence by a member of a household directed at him/herself or another member of his/her household; and/or
- They have vacated a unit because of domestic violence.

In addition:

- They must not be living in standard permanent replacement housing.
- They must have lived in the county where assistance is being requested for a minimum of six months during the time period immediately preceding their displacement.
- They must certify that the person who engaged in the violence will not reside with the applicant family, unless the PHA gives advance written approval.
- The domestic violence must have occurred no more than six months prior to the date of the application.

## Chapter 7 - REASONABLE ACCOMMODATION

### **REQUESTS FOR REASONABLE ACCOMMODATION**

Disabled applicants and participants who require a reasonable accommodation due to their disability are required to complete a written "Request for Reasonable Accommodation" form before they are admitted to the program, or, if they are already a participant, upon needing an accommodation. This is required so that HCD/Subcontractor can adequately assess the accommodation(s) needed and provide appropriate accommodation(s). The request must be verified by the disabled person's physician. The verification must be submitted on letterhead, dated and signed and must identify the duration and type of accommodation needed. Need shall be determined on a case-by-case basis.

---

### **SPECIAL HOUSING TYPES (24 CFR 982.601)**

HCD/Subcontractor may permit use of any special housing type if it is needed as a reasonable accommodation to provide accessibility for persons with disabilities. Need shall be determined on a case-by-case basis.

### **LEASING TO RELATIVES**

HCD/Subcontractor may permit the owner of a unit to be a parent, child, grandparent, grandchild, sister or brother of any member of the tenant household if it is needed as a reasonable accommodation to provide accessibility for persons with disabilities. Need shall be determined on a case-by-case basis.

### **UNIT SIZE**

HCD/Subcontractor may permit a larger unit size if it is needed as a reasonable accommodation to provide accessibility for persons with disabilities. Need shall be determined on a case-by-case basis.

## **Chapter 8 - INCOME DETERMINATION**

### **ELIGIBILITY DETERMINATION (24 CFR 982.516)**

Before an applicant is issued a Housing Choice Voucher and each time participant income is recertified, HCD/Subcontractor will obtain third party verification for information provided by the applicant, including:

- Income
- Assets
- Allowances and deductions
- Preference status
- Full-time student status
- Budget considerations
- Other factors relating to eligibility determination

Third party verifications (sent by mail) are required. However, if an income source refuses to send verification to HCD/Subcontractor by mail, oral third party verifications are acceptable, if properly documented (date when verified and the name of the person providing the information).

If third party verification cannot be obtained, HCD/Subcontractor may use several months of documents provided by the applicant for each income source and shall document in the tenant file the steps they took to obtain verification.

Documents, when allowed by law, will be photocopied. When documents cannot be photocopied, HCD/Subcontractor shall certify that they viewed the document(s), noting what document(s) were viewed, the source of information, the information obtained, and the documents shall be signed and dated by HCD/Subcontractor.

If additional information is needed to determine eligibility, HCD/Subcontractor will send a letter to the applicant, requesting the additional information be submitted within 10 working days. If there is no response or the information is not forthcoming after the 10 days, a second request will be sent allowing another 10 working days to respond. If there is no response to the second request for additional information or the response is not forthcoming, the applicant will be notified of their removal from the waiting list.

After the verification process is completed, HCD/Subcontractor will make a final determination of eligibility based on verified data.

## **MINIMAL/ZERO INCOME STATUS**

Families claiming to have annual income less than \$3,600 or whose expenses exceed their income will be required to:

- Complete a Zero Income Questionnaire on a quarterly basis;
- Provide information regarding financial assistance/contributions and gifts;
- Authorize HCD/Subcontractor to obtain and review one of their (free) credit reports; and
- Execute verification forms including unemployment benefits, TANF, SSI, etc., to ensure that other sources of income are not being received by the household.

If HCD/Subcontractor cannot substantiate sufficient family income to support the family's expenses, HCD/Subcontractor will use the amount of the family's expenses as income when calculating the tenant's portion of the rent.

## **CHILD SUPPORT AND ALIMONY (24 CFR 5.609(b)(7))**

Regular child support and alimony payments are counted as income. When the child support and/or alimony is sporadic, averaging the income is acceptable.

Child support and/or alimony may be documented by:

- A copy of a separation or settlement agreement or a divorce decree stating the amount and type of support and payment schedule.
- A letter from the person paying the support.
- A copy of the latest check and/or payment stub.
- Family's self-certification of amount received and the likelihood of support payments being received in the future, or that support payments are not being received.

Child support and/or alimony amounts awarded as part of a divorce or separation agreement must be counted as income unless the family can verify that they are not receiving the full amount. If the family is receiving less than the awarded amount or irregular payments, the family must also provide:

- Documentation from the agency responsible for enforcement or collection; or
- Documentation the family filed for child support or alimony collection action through a child support and enforcement/collection agency or an attorney.

### **AVERAGING INCOME (24 CFR 5.609(d))**

When Annual Income cannot be anticipated for a full 12 months, HCD/Subcontractor may:

- Average known sources of income to compute an annual income; or
- Annualize current income and conduct an interim reexamination if income changes.

The method used depends on the regularity, source, and type of income. For example:

- Income from the previous year may be analyzed to determine the amount to anticipate when third-party or check-stub verification is not available; or
- If there are bonuses for overtime which the employer cannot anticipate for the next 12 months, bonuses and overtime received from the previous year may be used.

### **BANK ACCOUNTS**

Checking and savings account balances over \$[4,999.500](#) require HCD/Subcontractor to attempt to obtain third-party verification from the appropriate financial institution. When checking and savings account balances do not exceed \$[4,999.500](#), HCD/Subcontractors may use the last three months bank statements provided by the family as an acceptable form of verification in lieu of third-party verification by the financial institution.

### **TREATMENT OF REDUCTIONS IN WELFARE ASSISTANCE (24 CFR 5.615 (b) and defined in 5.603(b))**

When a family's welfare benefit is reduced because of fraud, failure to participate in an economic self-sufficiency program, or failure to comply with a work requirement, they **will not** receive a reduction in their share of rent.

The amount that the welfare benefit has been reduced for fraud or a sanction for noncompliance is "imputed welfare income." The family's annual income includes the amount of imputed welfare income plus the total amount of other annual income. If the family's income increases after the sanction is imposed, the amount of the imputed welfare income is offset by the amount of additional income.

Imputed welfare income does not apply when the welfare benefits are reduced due to expiration of lifetime or other limit on welfare benefits or failure to obtain employment where the family is in compliance with welfare program requirements.

HCD/Subcontractor will obtain written verification from the welfare agency that the benefit reduction was caused by noncompliance or fraud before determining annual income or a family's request for an interim adjustment due to a decrease in income.

HCD/Subcontractor will notify the family whose assistance is adversely affected by imputed welfare income of their right to an informal hearing.

### **NET INCOME FROM A BUSINESS**

In order to verify the net income from a business, the applicant/participant will provide and HCD/Subcontractor will review Internal Revenue Service (IRS) and financial documents (to be provided by the tenant) from prior years and use this information to anticipate the income for the next 12 months.

Acceptable methods of verification include one or more of the following:

1. IRS Letter 1722, which the applicant/participant is required to request from the IRS. If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense is computed using straight-line depreciation rules.
2. Audited financial statement(s) of the business.
3. Documents such as Profit and Loss Statements, manifests, appointment books, cash books, bank statements, and receipts will be used as a guide for the prior 12 months (or lesser period if not in business for 12 months) to project income for the next 12 months. The family will be advised to maintain these documents in the future if they are not available.
4. IRS Form 1040, including Schedule C (Small Business); Schedule E (Rental Property); Schedule F (Farm Income).
5. Family's self-certification as to net income realized from the business during previous years.

### **CHILD CARE BUSINESS**

If an applicant/participant is operating a licensed day care business, income will be verified as with any other business.

If the applicant/participant is operating a "cash and carry" operation (which may or may not be licensed), HCD/Subcontractor will require the applicant/participant to obtain IRS Letter 1722. If this is insufficient documentation due to the age of the business, HCD/Subcontractor will require applicant/participant to complete a

form for each customer which indicates: name of person(s) whose child (children) is/are being cared for, phone number, number of hours child is being cared for, method of payment (check/cash), amount paid, and signature of the customer.

If child care services were terminated, telephone verification is acceptable from the customer whose child was cared for.

### **REGULAR CONTRIBUTIONS AND GIFTS (24 CFR 5.609(b)(7))**

Regular contributions and gifts received from persons outside the household are counted as income for calculation of the Total Tenant Payment.

Any contribution or gift received every two months or more frequently will be considered a “regular” contribution or gift. This includes rent and utility payments made on behalf of the family and other cash or non-cash contributions provided on a regular basis. It does not include casual contributions or sporadic gifts.

### **RECURRING GIFTS**

If a family is receiving recurring financial gifts, the family must complete a “Financial Gift” form which contains the following information:

- The person who provides the financial gifts.
- The amount of the financial gifts.
- The regularity (dates) of the financial gifts.
- The purpose of the financial gifts.

This self-certification may be used in conjunction with the Zero Income Questionnaire for families reporting minimal/zero income.

### **MEDICAL EXPENSE ALLOWANCE (24 CFR 5.611(a)(3)(i))**

The medical expense deduction is only permitted for households in which the head or spouse is at least 62 or disabled (elderly or disabled households). If the household is eligible for a medical expense deduction, the medical expenses of all family members may be counted.

When it is unclear in the HUD rules as to whether or not to allow an item as medical expense, IRS Publication 502 will be used as a guide. (<http://www.irs.gov/publications/p502/index.html>).

These expenses may include:

- Services of doctors and health care professionals.
- Services of health care facilities.
- Medical insurance premiums.
- Prescription medicines.
- Non-prescription medicines.
  - Must be doctor-recommended in order to be considered a medical expense.
  - Will be counted toward medical expenses if the family provided legible receipts.
- Transportation to treatment (cab fare, bus fare, mileage).
- Dental expenses, eyeglasses, hearing aids, batteries.
- Live-in or periodic assistance.
- Monthly payment on accumulated medical bills (regular monthly payments on a bill that was previously incurred; amount expected to be paid in the coming 12 months).
- Accupressure, acupuncture, related herbal medicines, and chiropractic services.

## **Chapter 9 - VOUCHER ISSUANCE**

### **VOUCHER SIZE**

The voucher size is determined by the occupancy standards and the family composition.

### **VOUCHER TERM (24 CFR 982.54(d)(2); 982.303)**

The newly-issued voucher is valid for a period of 60 days from the date of issuance.

A 60-day extension may be requested if:

- there are extenuating circumstances (e.g., hospitalization or family emergency), which has affected the family's ability to find a unit within the initial 60-day period.
- the family has evidence that they have made consistent efforts to locate a unit and requested assistance from HCD/Subcontractor to help locate a unit.

A second 60-day extension may be requested if:

- the voucher holder is disabled.

Under no circumstances shall the maximum voucher term exceed 180 days.

### **OCCUPANCY STANDARDS (24 CFR 982.402)**

HUD requires that HCD establish occupancy standards for the determination of Housing Choice Voucher size and that such standards provide for a minimum commitment of subsidy while avoiding overcrowding. These standards also must meet the minimum requirements of Housing Quality Standards (HQS).

The occupancy standards for Housing Choice Voucher issuance determine the size of the voucher to be issued. The criteria and standards prescribed for the determination of unit size should apply to the majority of families.

|

Guidelines for voucher issuance include:

- Occupancy based on 2 persons per bedroom.
- ~~Children will not be required to share a bedroom with their parents, but the family may choose to accept a smaller size voucher.~~
- Unborn children shall be included in the size of the household.
- ~~Persons with verifiable medical needs or other extenuating circumstances that require additional bedroom space may be provided a larger unit.~~
- Foster children shall be included in the size of the household.~~are included when determining unit size.~~
- ~~Live-in attendants will generally be provided a separate bedroom.~~
- Space will not be provided for a family member who is absent more than 1820 consecutive days. (Members of the military on active duty are exempt from this requirement.)
- ~~However, d~~Dependent children who are full-time students who live away from home to attend school may continue to be included when determining unit size.

Exceptions will only be considered through the reasonable accommodation process and~~In some cases, the relationship, age, sex, health, or handicap of a family member may warrant the assignment of a larger unit.~~ Subcontractors are required to request HCD's approval prior to issuing a larger size voucher.

#### **VOUCHER DETERMINATION FOR SPLIT HOUSEHOLDS (24 CFR 982.315)**

In cases when a household assisted under the HCV Program becomes divided into two households, HCD/Subcontractor will review the situation and make a determination as to which adult member will retain assistance, subject to the following:

- The desires of the parties involved.
- Which party has custody of any dependent children, or which party ~~will~~ the children will be with for the majority of the year.
- To whom the assistance was issued.
- Who remains in the unit.
- Whether domestic violence is involved.

Documentation to prove these items will be the responsibility of the requesting party. If documentation is not provided, HCD/Subcontractor reserves the right to determine who will receive assistance.

## Chapter 10 - OCCUPANCY REQUIREMENTS

### **ABSENCE FROM THE UNIT (24 CFR 982.54(d)(10); 982.312(a) and 982.551(b)(7)(i))**

Federal regulations allow for a family's brief absence from their unit. "Absence" means that no adult member of the household is in the unit. If the family will be absent from their home for more than 14 consecutive days, they must provide written notification to HCD/Subcontractor. Failure to notify HCD/Subcontractor of a family absence that will exceed 14 consecutive days is grounds for termination of assistance.

Absences of up to 90 consecutive days are acceptable, with prior written notification by the family and prior approval granted by HCD/Subcontractor. HCD/Subcontractor considers hospitalization, incarceration, family care, vacation, and employment as acceptable reasons for absences up to 90 days. The family's written notification to HCD/Subcontractor must include the beginning and ending dates of the absence, and the reason for the absence. The family must notify HCD/Subcontractor upon returning from the absence. Incarceration or hospitalization may prevent the prior approval; therefore, in those situations HCD/Subcontractor will allow ten (10) days after the beginning date of the incident for the family to provide proper written notice.

If the family leaves the unit for more than 90 days, the unit may not be their principal place of residence and the family may be terminated from the Program. However, on a case-by-case basis, exceptions for an additional 90 days absence may be granted due to extenuating circumstances (i.e., hospitalization).

Persons not listed on the application/lease three months prior to the absence, [or death](#), of the adult household member(s) will not be recognized as a household member and are not eligible for assistance.

### **PERMANENTLY ABSENT (24 CFR 982.312)**

If any adult member of the household leaves the household for more than 180 days, that adult member is considered permanently absent from the unit. (Members of the military on active duty are exempt from this requirement.) The remaining adult member of the family must report, in writing, the change in family composition to HCD/Subcontractor. Upon the next annual reexamination, the new household (voucher) size will be used to calculate the housing assistance payment.

## **VISITORS (24 CFR 982.551(h)(2))**

Any adult not included on the application that has been in the unit for 30 consecutive days or more without HCD/Subcontractor approval, or a total of 60 days in a 12-month period, is considered to be living in the unit as an unauthorized household member. Absence of evidence of any other address will be considered verification that the visitor is a member of the household. Statements from neighbors and/or the landlord will be considered in making the determination. Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary shall be construed as permanent residence.

The burden of proof that the individual is a visitor rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the household. If the head of household requests for the visitor to become a member of the household, the housing assistance payment will be amended to include the new person at the next interim or regular reexamination. However, if the household income is consequently increased so that the household does not qualify for the rental assistance, the assistance will be terminated in accordance with HUD regulations.

Dependent children who are full-time college students who live away from home to attend school may continue to remain part of the household, and will be considered during annual reexaminations of the housing assistance payment. Upon attaining age 23, full-time students who were part of the household, but who now live away from home during the school year and are no longer on the lease must comply with the same restrictions imposed on other visitors (described above).

In a joint custody arrangement, if the minor child is in the household less than 183 days per year, the minor child will not be considered a family member and will not be held to the 60-day visitor maximum.

## **PARTICIPANT MOVES (CFR 982.314 (c))**

Moves (changes of unit) shall be limited to one move per 12-month period, except for good cause (the tenant must provide documentation, i.e., police reports, court order, etc.). Initial lease up of unit is included as one move per 12-month period.

For any move, tenant must provide proper notice (30-day written notice) to HCD/Subcontractor and landlord. If the tenant moves without providing the required notifications and/or obtaining a mutual rescission from the landlord, the tenant may be terminated from the HCV Program.

## **Chapter 11 - PORTABILITY**

### **INCOMING VOUCHERS (24 CFR 982.355)**

HCD/Subcontractor will accept families with a valid Housing Choice Voucher from another PHA's jurisdiction. The HAP Program Manager will determine whether incoming vouchers are absorbed or administered, based on overall program lease rates and/or for reasons as determined by HCD.

### **OUTGOING VOUCHERS (24 CFR 982.353(b))**

#### **Applicants**

Applicants are required to live in the county where they applied for assistance for a minimum of one year after being admitted to the HCV Program.

Exceptions to the one-year requirement may be requested, in writing, by the family for extenuating circumstances (e.g., urgent healthcare needs, employment, employment transfers, etc.) that arise during the 12-month period or where the receiving PHA agrees to absorb the applicant/new participant voucher into its allocation. HCD must approve the exception prior to the participant move.

#### **Participants**

After a family has leased a unit for a minimum of one year in the county where the family established eligibility, HCD/Subcontractor will allow participants to move to another county and continue their rental assistance under the HCV Program provided the new unit is located anywhere in the United States of America and its territories and in the jurisdiction of a PHA with tenant-based assistance.

Portability families are required to contact the receiving PHA promptly and comply with the receiving PHA's procedures for incoming portable families.

### **PORTABILITY RESTRICTIONS**

All portability moves are subject to HUD portability rules and HCD funding availability as determined by the HAP Program Manager. HCD will deny a family's request to move under portability if the family: (1) is in violation of a family obligation; (2) has moved out of its assisted unit in violation of the lease; or (3) owes money to HCD.

## **Chapter 12 - TENANT BRIEFINGS**

### **PURPOSE OF BRIEFINGS (24 CFR 982.301)**

The purpose of the briefing is to provide new participants with the information contained in the HCV packet and to ensure that all participants are aware of their responsibilities.

### **Housing Choice Voucher Packets**

The HCV packet shall contain the following:

- A general information brochure explaining the basics of the HCV Program for landlord use.
- A current list of interested landlords and the address of their available property (if available).
- A list of Payment Standards.
- The HUD brochure A Good Place to Live.
- The HUD brochure on lead-based paint Protect Your Family.
- Conditions and procedures for notifying HCD/Subcontractor of changes that occur between annual re-exams.
- Family Obligations and Responsibilities form.
- Utility Allowance Schedule.
- Instructions on calculating gross rent.
- Any supplemental material HCD/Subcontractor deems necessary.
- Informal Review/Hearing Procedures.
- The HUD brochure Fair Housing.
- Discrimination complaint form.
- Request for Reasonable Accommodation form.

### **ATTENDANCE REQUIREMENTS**

Upon determination of eligibility, a briefing will be conducted, either in person or by telephone. At a minimum, the head of household is required to attend/participate in the briefing.

Applicants are responsible for rescheduling briefing appointments. If the applicant does not reschedule and misses the scheduled briefing appointment, HCD/Subcontractor may reject the application. Rejection of the application means the applicant will be removed from the waiting list. The applicant will be notified in writing if the application is rejected for this reason. Applicants may reapply when applications are being taken.

## **BRIEFING FORMAT**

Briefings can either be in a group or held individually. HCD/Subcontractor will:

- Review HCV packet.
- Discuss the allowable deposits that can be collected by the owner.
- Discuss the conditions in the lease under which tenancy may be terminated; and
- Discuss the conditions under which HCV housing assistance may be terminated.

## Chapter 13 - HOUSEHOLD OBLIGATIONS AND RESPONSIBILITIES

### HOUSEHOLD OBLIGATIONS

While the relationship between the tenant and landlord are the same as in the private housing market, the HCV Program recipients have the following additional obligations:

#### THE FAMILY (AND/OR ANY MEMBER THEREOF) MUST:

1. Supply any information that is necessary in the administration of the program, including submission of required evidence of citizenship or eligible immigration status and any information requested for use in a regularly scheduled reexamination or interim reexamination of family income and composition. "Information" includes any certification, release or other documentation.
2. Disclose and verify Social Security Numbers and sign and submit consent forms for obtaining information as required by Federal regulations.
3. Provide true and complete information.
4. Cooperate with HCV Program staff for housing quality inspections and notify HCV Program staff, at least **24 HOURS IN ADVANCE**, if the inspection time and date cannot be met.
5. Maintain the unit in a clean, sanitary and safe condition, and abide by the terms of the lease.
6. Allow only persons listed on the contract and application to reside in the unit.
7. Notify HCV Program staff and the manager/owner, **30 DAYS IN ADVANCE** and **IN WRITING**, if you intend to vacate or move from your unit.
8. Provide written notification to HCV Program staff in advance, **if no adult family member will be in the home for more than 14 consecutive days**.
9. Give HCV Program staff a copy of any manager/owner eviction notice.
10. Use the assisted unit as their only residence. The family must supply any information or certification requested by HCV Program staff to verify that the family is living in the unit.

11. REPORT IN **WRITING** WITHIN 10 WORKING DAYS:
- a. Any changes in the household members, such as family members added to or no longer residing in the household.
    - HCV Program staff must approve the composition of the assisted family residing in the unit. The family must promptly inform HCV Program staff of the birth, adoption or court-awarded custody of a child. The family must request, in writing, HCV Program staff approval to add any other family member as an occupant of the unit.
    - Prior approval from HCV Program staff must be received before a foster child or a live-in aide may reside in the unit.
  - b. Any income changes to the household. ALL sources of income are to be reported accurately.
12. **RETURN WITHIN 10 WORKING DAYS** any information or forms requested by HCV Program staff. This includes signing and returning copies of contracts, leases, amendments, and inspections.

14. Report any needed repairs to the manager/owner of the unit. If the repairs are tenant caused, you must repair it at your cost.
15. Correct any HQS failures that are determined to be caused by the tenant. If the HQS failure is life threatening, the tenant must correct or stabilize the violation within 24 hours. For other tenant-caused failures, the tenant must correct the violation within 30 calendar days (or by any HCD/Subcontractor-approved extension).
16. Obtain prior written approval of the landlord, to engage in legal profit-making activities in the unit, but only if such activities are incidental to primary use of the unit as a residence by members of the family (i.e., conflict with zoning ordinances).

**THE FAMILY (AND/OR ANY MEMBER THEREOF) MUST NOT:**

1. Commit any serious or repeated violation of the lease.
2. Engage in drug-related criminal activity, alcohol abuse or violent criminal activity.
3. Commit fraud, bribery or any other corrupt or criminal act in connection with the HCV Program.

4. Engage in or threaten abusive or violent behavior toward HCV Program staff.
5. Enter into side agreements with the manager/owner.
6. Sublease the unit, assign the lease, or transfer the unit.
7. Own or have any interest in the unit.
8. Have a household member that is subject to a requirement to register as a sex offender. If this occurs, assistance will be terminated.
9. Receive HCV tenant-based assistance while receiving another housing subsidy, for the same unit or for a different unit.

## **Chapter 14 - LEASE APPROVAL & HAP/VOUCHER CONTRACT EXECUTION**

### **LEASE APPROVAL/DISAPPROVAL (24 CFR 982.305)**

After HCD/Subcontractor has reviewed the Request for Tenancy Approval and the lease, documented rent reasonableness, and conducted an inspection and approved the unit, HCD/Subcontractor approves the lease.

If HCD/Subcontractor determines that the lease cannot be approved (i.e., fails the 40% Rule, fails rent reasonableness), the landlord and family will be notified and the reason(s) provided. HCD/Subcontractor will explain the problems to the owner and suggest how they may be corrected. If the problem can be corrected, HCD/Subcontractor will continue processing the Request for Tenancy Approval and the lease.

If the problem cannot be corrected after HCD/Subcontractor has negotiated with the owner, HCD/Subcontractor will inform the tenant that the lease is disapproved and the tenant should continue to search for eligible housing.

### **LEASE REQUIREMENTS (24 CFR 982.309 & 24 CFR 982.519(b)(5)(ii))**

The initial term of the lease is required to be at least three months. Owners must notify the tenant and HCD/Subcontractor of any increase in the amount of the rent at least sixty days before the effective date of the increase. Rules regarding “rent reasonableness” also apply (see section below).

### **LEASING TO RELATIVES**

Unless the HAP contract was effective prior to June 17, 1998, the owner may not be a parent, child, grandparent, grandchild, sister or brother of any member of the tenant household. HCD may waive this restriction as a reasonable accommodation for a family member who is a person with a disability (See Chapter 7, Reasonable Accommodation).

## **RENT REASONABLENESS (24 CFR 982.507)**

HCD/Subcontractor will make a determination as to the reasonableness of the rent that the owner is proposing in relation to comparable units on the private unassisted market. The market area for rent reasonableness comparables shall include the areas in which HCD/Subcontractor provides HCV Program services.

Rent reasonableness determinations are made when units are placed under HAP contract for the first time **and** when owners request annual or special contract rent adjustments. HCD/Subcontractor will ~~certify and~~ document in the tenant file that the approved rent:

- Does not exceed rents charged by the owner for comparable unassisted units in the private market; and
- Is reasonable in relation to rents charged by other owners for comparable units in the private market.

The items used for rent reasonableness documentation include:

- Square footage;
- Number of bedrooms;
- Number of bathrooms;
- Location;
- Unit type;
- Quality, amenities;
- Facilities;
- Date built; and
- Management and maintenance services.

HCD/Subcontractor, for access by HUD/HCD, will maintain documentation of the rent reasonableness study for each unit leased.

HCD/Subcontractor will maintain a file(s) that includes comparable data on unassisted units in the private market. HCD/Subcontractor will compare the subject unit against selected units in the same area with similar characteristics. Adjustments will be made for favorable and unfavorable differences between the subject unit and the comparables. **The information on unassisted units will be updated by HCD/Subcontractor on an annual basis.**

## **PAYMENT STANDARD (24 CFR 982.503(b))**

HCD establishes the payment standard for all areas served. The payment standards will be set at a minimum of 90% and a maximum of 110% of the HUD-published Fair Market Rents (FMR) for all counties, unless an exception payment standard has been approved by HUD.

### **MINIMUM RENT (24 CFR 5.630(a)(2)(3))**

There will be a minimum tenant rent of \$50 for all participants. When a family requests a minimum rent hardship exemption, HCD/Subcontractor will promptly determine whether a qualifying hardship exists, and, if so, whether such hardship is temporary or long term. Based on this determination HCD/Subcontractor will take the appropriate action with regard to the application of a minimum rent payment.

### **HAP CONTRACT EXECUTION (24 CFR 982.305(c))**

If contracts and/or related contract documents are not returned within 630 days of the effective date of the contract, the contract effective date may be modified to the 1<sup>st</sup> of the month following receipt of all required documentation.

Prior to HAP contract execution, HCD/Subcontractor will ensure that the income information is not more than 120 days old for participants, or not more than 60 days old for new admissions.

### **OWNERSHIP DOCUMENTATION**

Owners must provide their current address of residence or business. Owners must submit proof of ownership of the property and a Letter of Transfer of Authority, if a management agent manages the property. Owners must also submit a Payee Data Record (Std. 204) with their Tax Identification Number.

### **CHANGE IN OWNERSHIP**

Prior written consent from HCD is required before assigning the HAP Contract to a new owner should a landlord elect to sell or transfer ownership of a property during the term of tenancy. If a landlord fails to obtain prior written consent, HCD is not required to execute a new HAP Contract with the new owner.

Upon written consent from HCD to assign the HAP Contract to the new owner, the new owner must sign a written agreement to be bound by and comply with the HAP Contract. In addition, the new owner is required to provide evidence of ownership and complete a Payee Data Record (Form 204).

Execution of a new HAP Contract with the new owner is only required under the following conditions:

- If there are any changes in lease requirements governing tenant or owner responsibilities for utilities or appliances

- If there are any changes in lease provisions governing the term of the lease
- If the family moves to a new unit, even if the unit is in the same building or complex

Please note: The HAP payments will continue to be sent to the original owner until the necessary documentation from the new owner is received and processed. Prior to the change of ownership being processed by HCD, any payments made to the previous owner will be the responsibility of the new owner to recover. In the interim, the original owner may submit an Authority of Transfer Form authorizing the payments be made to the new owner.

~~———— A change of ownership will be processed upon receipt of a Payee Data Record (Std. 204) for the new owner, evidence of ownership, and a Letter of Authority Transfer, if applicable. Prior to the change of ownership being processed by HCD, any payments made to the previous owner will be the responsibility of the new owner to recover.~~

### **LANDLORD FRAUD (24 CFR 982.453)**

If a landlord has committed fraud or bribery or any other corrupt or criminal acts in connection with the HCV Program, HCD/Subcontractor may terminate the contract.

HCD may bar the landlord from participation in the HCV Program for breach of the HAP contract.

HCD will make every effort to recover any overpayments made as a result of landlord fraud or abuse.

## **Chapter 15 - ANNUAL REEXAMINATIONS, INTERIMS, ADJUSTMENTS AND OTHER ACTIONS**

### **ANNUAL REEXAMINATIONS (24 CFR 982.516; 982.551(b))**

Families will be notified in writing 90 to 120 days in advance of the scheduled effective date of the reexamination. HCD/Subcontractor will use the same procedures for obtaining and verifying information that were used at admission. HCD/Subcontractor should compare the information the family reports against the family's most recent reexamination to identify any discrepancies and ask the family to explain them.

The reexamination will consist of the following:

- Verification of family income and composition;
- Unit inspection;
- Rent reasonableness verified, if the landlord is requesting a rent increase; and
- Family and owner notification of changes in subsidy and tenant rent.

The head of household, and any additional adult living in the unit, must have a current Form HUD-9886, *Authorization for Release of Information/Privacy Act Notice*, on file any time verification of income is to be determined.

Families and owners must be notified in writing of the results of the reexamination and effective date of any changes. Families will be given a minimum of 30 days notice of increases in the tenant portion of the rent.

Families who fail to cooperate with HCD/Subcontractor in providing the necessary information may be terminated from the HCV Program.

### **INTERIM ADJUSTMENTS (24 CFR 982.516)**

A participant may request an interim reexamination of family income/composition when changes have occurred since the last determination. HCD/Subcontractor will conduct a family-requested interim reexamination within 10 working days of the request. HCD/Subcontractor may conduct an interim reexamination when a participant household's income has increased.

## **REPORTING CHANGES IN INCOME (24 CFR 982.516(c))**

~~Participants are required to report any change in family income (in writing) to HCD/Subcontractor within 10 working days of the effective date of the change.~~

## **WHEN INCOME CHANGES ARE NOT REPORTED IN A TIMELY MANNER**

If the family does not report income increases in writing within 10 working days to HCD/Subcontractor, the increase in tenant rent will be effective retroactive to the date it would have been effective had it been reported on a timely basis. The family will be liable for any overpaid housing assistance and may be required to make a lump sum payment. Also, failure to report income increases, as required, may result in termination from the HCV Program.

## **CHANGES IN HOUSING ASSISTANCE PAYMENT**

HCD/Subcontractor will notify the family and the owner of any change in the Housing Assistance Payment, according to the following guidelines:

- Increases in the tenant payment will be effective on the first of the month following at least 30 days notice of change to the tenant and the owner.
- Decreases in the tenant payment are effective the first of the month following that in which the change is reported.

## **HCD/SUBCONTRACTOR CALCULATION ERRORS**

If HCD makes a calculation error, an interim reexamination will be conducted, if necessary, to correct the error, but the family will not be charged retroactively. Families will be given decreases, when applicable, retroactive to the date of the last annual reexamination, or the date of admission if the participant has been in the HCV Program for less than a year.

## **Chapter 16 - HOUSING QUALITY STANDARDS & INSPECTIONS**

### **HOUSING QUALITY STANDARDS GUIDELINES (24 CFR 982.401; 982.405)**

No dwelling unit will be placed on the HCV Program unless Housing Quality Standards (HQS) are met. The units must continue to meet these standards as long as the family is on the HCV Program. HCD/Subcontractor adheres to the acceptability criteria in HCV Program regulations.

There are four types of inspections:

- Initial
- Annual
- Special
- Move-out: Move-out inspections will be completed within 15 working days. They are required for units leased prior to October 1995, and when requested by either the tenant or landlord for units leased after October 1995.

### **CLEARING DEFICIENCIES (24 CFR 982.404; 982.453)**

The following time standards are provided as an appropriate response time for correcting HQS inspection items noted as “fail”:

- Emergency items which endanger the family’s health or safety must be corrected or stabilized within 24 hours of notification.
  - Waterlogged ceiling in imminent danger of falling
  - Major plumbing leaks or flooding
  - Natural gas leak or fumes
  - Electrical problem which could result in shock or fire
  - No heat when outside temperature is below 65° F
  - Utilities not in service
  - No running hot water
  - Broken glass where someone could be injured
  - Obstacle which prevents tenant’s entrance or exit
  - Lack of functioning toilet
  - Smoke detector not working
- For non-emergency items, repairs must be made within 30 days.
- For non-emergency exterior repairs, extensions will be granted “weather permitting”.
- For major repairs, the HAP Program Manager may approve an extension beyond 30 days.

HCD/Subcontractor may extend the time limit for extenuating circumstances. If after 30 days, the item has not been corrected or an extension has not been approved, the housing assistance payment to the Landlord will be abated until the repairs have been made, up to a maximum period of two months. After two months, if the repairs still have not been made, the HAP Contract will be cancelled and the family will be required to find another unit for continued assistance.

#### **TENANT FAILS TO CORRECT HQS ITEMS (24 CFR 982.404(b))**

If a dwelling unit fails HQS due to the tenant's actions and the tenant fails or refuses to correct the failed items within the time period specified above, resulting in the HAP Contract being terminated, the tenant may be terminated from the HCV Program.

#### **REQUEST FOR SPECIAL UNIT INSPECTION (24 CFR 982.405(c))**

A landlord/owner, tenant, or HCD/Subcontractor may request to have the tenant's unit inspected prior to the reexamination date. HCD/Subcontractor will schedule the inspection within five working days of the request, weather permitting.

## Chapter 17 - FAMILY SELF-SUFFICIENCY PROGRAM

### **FAMILY SELF-SUFFICIENCY**

HCD/Subcontractors administer a mandatory program for Family Self-Sufficiency (FSS) in Glenn ~~and Siskiyou~~ County~~ies~~. FSS provides HCV participants an opportunity to become more self-sufficient by encouraging the development of participant's potential for employment. FSS offers a financial incentive that becomes available to the families upon successful completion of the program.

#### **Program Requirements (24 CFR 984.201, 984.303, 984.304)**

HCV participants in good standing that reside in Glenn ~~or Siskiyou~~ County~~ies~~ are eligible to participate in the FSS Program.

Eligible participants enter into a Contract of Participation, which incorporates the individual training and service plan(s) and consists of the principal terms and conditions governing participation in the FSS Program. Other requirements of the Contract of Participation include: 1) participants must be in compliance with the terms and conditions of their lease; and 2) the head of the FSS family is required to seek and maintain suitable employment.

~~The~~ HCD/~~Subcontractors~~ for Glenn ~~and Siskiyou~~ County~~ies~~ have developed Action Plans that outline the FSS family selection procedures, outreach efforts, FSS activities and support services, and FSS Program termination procedures.

#### **Escrow Accounts (24 CFR 305)**

After the effective date of the Contract of Participation, an escrow credit calculation will be made at every annual and interim reexamination when there is earned income received by any adult member of the family. For families whose adjusted annual income exceeds the low-income limit, there will be no escrow credit. The family will not be eligible for escrow credits after the family has completed the Contract of Participation or when the contract is terminated or otherwise nullified.

Subcontractors will deposit all escrowed credits into a single depository account and will be supported in the Subcontractor's accounting records by a subsidiary ledger showing each FSS family's escrow balance. Accrued interest will be prorated and applied to each FSS family's escrow account only after the Subcontractor has verified the FSS family does not owe the property owner unpaid rent or other amounts due under the lease.

Subcontractors are required to report to each FSS family on the status of the family's escrow account at least once annually.

The final disbursement of the escrow account is paid to the head of the FSS family:

- When the Contract of Participation has been completed, or
- Whenever 30% of the family's monthly adjusted income equals or exceeds the existing housing FMR for the voucher size issued the family, and
- When, at contract completion, the head of the family certifies that the family has been welfare-free for a minimum of 12 months.

**Minimum Program (24 CFR 984.105)**

HCD/Subcontractor will continue to administer a FSS Program in accordance with the Federal regulations, but will limit program operations to meet only the minimum program requirements. Our goal is to reduce our program minimum size by FSS participants successfully completing their contracts.

## **Chapter 18 - DENIAL/TERMINATION OF ASSISTANCE**

### **DISCRETION TO DENY OR TERMINATE ASSISTANCE (24 CFR 982.552(c)(2))**

The HAP Program Manager or designee will decide whether to deny or terminate assistance because of action or failure to act by members of the family. In making this decision, the HAP Program Manager or designee will analyze the reasons that the household has acted or failed to act in a way that does not comply with program requirements. The HAP Program Manager or designee will consider all of the circumstances in each case, including the seriousness of the case and the extent of participation or culpability of individual family members. HCD/Subcontractor may also review the family's more recent history and record of compliance, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure to act. Determinations will be based on credible evidence and/or the preponderance of evidence provided.

HCD may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. HCD may permit the other members of the family to continue in the program.

### **DURATION OF DENIAL/TERMINATION OF ASSISTANCE**

Unless otherwise stated, denial or termination of assistance for cause shall be applicable for **three years** from the date of denial/termination by HCD/Subcontractor.

### **GROUND'S FOR DENIAL OF ASSISTANCE OR TERMINATION (24 CFR 982.552(a)(b)&(c))**

Assistance may be denied to an applicant or terminated for a participant because of the household's actions or failure to act. This includes:

#### **1. Drug-related Criminal Activity or Violent Criminal Activity**

No member of the household can currently be engaging in, or have engaged during the previous 12 months, in any drug-related criminal activity, any violent criminal activity, or any criminal activity that would threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

## **2. Evictions**

Assistance will be denied or terminated for households/individuals who are evicted:

- i. From federally-assisted housing in the most recent five year period.
- ii. For drug-related criminal activity or alcohol abuse.

Families that have been evicted from Public Housing or by HCV owners for engaging in drug-related criminal activity or alcohol abuse will be denied admission for three years. However, if the person demonstrates a successful completion of a rehabilitation program and/or demonstrates that the circumstances leading to the eviction no longer exists, this requirement may be waived with prior approval from HCD.

- iii. Due to a serious or repeated violation of the lease.

## **3. Failure to Comply with Family Self-Sufficiency Contract**

Assistance will be terminated if the family is a FSS participant and fails to comply, without good cause, with the FSS Contract of Participation.

## **4. Failure to Provide Consent**

Assistance will be denied to applicants or terminated for participants if any member of the household fails to sign and submit consent forms for obtaining eligibility factor verifications and/or information required by Federal regulations.

## **5. Failure to Return Requested Items**

Requested items are to be provided within the designated timeframe. HCD/Subcontractor will make two attempts to obtain requested items. The applicant/participant failure to comply with HCD/Subcontractor request after two attempts will result in denial/termination of assistance.

## **6. Family Obligation Violations**

HCD may terminate assistance for any violation of the Family Obligations and Responsibilities. HCD will not assist a family whose assistance was terminated due to any Family Obligation and Responsibilities violation under the HCV Program for three years from the date of termination.

**7. Fraud/Bribery/Other Criminal Activity (24 CFR 982.551(k))**

Individuals committing fraud, bribery, or other corrupt or criminal acts in connection with any Federal housing program, including attempted or threatened physical force against the person or property of HCD/Subcontractor or employees of HCD/Subcontractor, shall be denied assistance, including application for assistance, for a period of three years.

**8. Interest in Unit**

The family must not own or have any interest in the unit.

**9. Manufacturing/Producing Methamphetamine (24 CFR 982.553(a)(ii)(C))**

Admission to/Participation in the HCV Program is immediately and permanently denied to individuals convicted of manufacturing or producing methamphetamine in violation of any Federal, State or local law.

**10. Non-Citizenship/Ineligible Immigration Status**

No Eligible Members. Applicant families that include no eligible members will be ineligible for assistance. Such families will be denied admission and offered an opportunity for an informal review.

Non-Citizen Students. Defined by HUD in the non-citizen regulations are not eligible for assistance.

**11. Other Housing Subsidy**

An assisted family, or members of the family, may not receive HCV assistance while receiving another housing subsidy (i.e., public or Indian housing assistance, Section 8 project-based assistance, Section 23 leased housing housing, etc...), for the same unit or for a different unit.

**12. Outstanding Debt**

The family may not have any outstanding debt owed HCD or any other PHA on any previous tenancy for Public Housing or HCV. No repayment agreement (between any PHA and the tenant) will be accepted. The family must repay in full any amount owed to be considered eligible for admission.

**13. Preference Status**

If the applicant falsifies documents or makes false statements in order to qualify for any preference, they will be removed from the waiting list and/or terminated from the HCV Program.

**14. Sex Offender Status**

No member of the household can be subject to a lifetime registration requirement under the State Sex Offender Registration Program.

## **Chapter 19 - REPAYMENT AGREEMENTS**

### **REPAYMENT AGREEMENTS (24 CFR 982.552(c)(vii))**

A Repayment Agreement is a document entered into between HCD and a person who owes a debt to HCD. It contains the terms under which HCD will allow a family to continue receiving assistance, in lieu of termination, when an error or mistake in reporting income has caused an overpayment in HAP paid by HCD. The Repayment Agreement includes the amount owed, a schedule of payments due, special conditions and/or provisions, and the remedies available to HCD upon default of the Repayment Agreement.

#### **Conditions**

HCD will not enter into more than one Repayment Agreement at a time with the same family. The family may not move to another unit or port out until the Repayment Agreement is paid in full.

#### **Payment Amount and Term**

The minimum amount of a monthly payment for any Repayment Agreement is \$25.00. The maximum term for any Repayment Agreement is 12 months. Once the Schedule of Payments is established, any changes in the due date(s) or payment amount(s) will require an amendment be executed. The family may request a change in the Schedule of Payments (i.e., monthly payments may be decreased or the maximum term extended) provided a hardship exists and is approved by HCD.

#### **Late Payments**

A payment will be considered to be in arrears if the payment is not received by the close of the business day on the date the payment was due. If the payment due date is on a weekend or holiday, the payment due date will be at the close of the next business day. HCD may grant an extension for extenuating circumstances.

If the family's Repayment Agreement is in arrears three times during the term of the agreement, HCD, after review of the circumstances leading to the nonpayment, may:

- Require the family to pay the balance in full;
- Pursue civil collection of the balance due; and/or
- Terminate the housing assistance.

## **Chapter 20 - INFORMAL REVIEW/HEARING**

### **INFORMAL REVIEW FOR APPLICANTS (24 CFR 982.554)**

An applicant who has been denied assistance and wishes to dispute the decision must provide a written request to HCD/Subcontractor for an informal review. The written request must be delivered in person or received within 10 working days from the date of notification that assistance was denied, and must state the reason(s) the applicant believes there should be an informal review of the decision to deny assistance.

HCD/Subcontractor shall schedule a date for an informal review and notify the applicant within 10 working days from the date the request was received. The informal review shall be conducted by an HCD/Subcontractor staff person other than the person who made or approved the decision under review or a subordinate of this person, and shall be conducted in the area where the family applied for assistance. A final decision shall be rendered within 15 working days after the informal review.

The review shall be tape-recorded. The recording shall only be transcribed, at the sole discretion of HCD/Subcontractor, when HCD/Subcontractor considers it necessary. Tape recordings shall be maintained for one year from the date of the review. HCD/Subcontractor shall identify the date, time, and principal attendees for the record. HCD/Subcontractor may determine relevance of information or testimony, may limit the length of presentations, and may reject threatening or abusive persons from the review. HCD/Subcontractor may request additional evidence, proof, or documentation from the family at the time of the review. HCD/Subcontractor shall specify a reasonable timeframe for the family to respond, after which no additional information shall be considered.

### **WHEN INFORMAL REVIEWS ARE REQUIRED**

HCD must provide applicants with the opportunity for an informal review of decisions denying:

- Qualification for any preference category.
- Listing on HCD/Subcontractor waiting list.
- Issuance of a voucher.
- Participation in the HCV Program.

### **WHEN INFORMAL REVIEWS ARE NOT REQUIRED (24 CFR 982.554(c))**

Informal reviews are not required for established policies, procedures, and determinations, such as:

- Discretionary administrative determinations by HCD/Subcontractor.
- General policy issues or class grievances.
- A determination of the family unit size under HCD/Subcontractor subsidy standards.
- Refusal to extend or suspend a voucher.
- Disapproval of lease.
- Determination that unit is not in compliance with HQS.
- Determination that unit is not in accordance with HQS due to family size or composition.

### **INFORMAL HEARINGS FOR PARTICIPANTS (24 CFR 982.555)**

HCD must provide participants with the opportunity for an informal hearing for decisions related to any of the following HCD determinations:

- Determination of the family's annual or adjusted income and the computation of the housing assistance payment.
- Appropriate utility allowance used from schedule.
- Family unit size determination under HCD subsidy standards.
- Determination to terminate assistance for any reason.
- Determination to terminate a family's FSS Contract, withhold supportive services, or propose forfeiture of the family's escrow account.
- Determination not to reduce a family's portion of rent because of: 1) family's noncompliance with welfare requirements; or 2) welfare fraud.

A participant seeking an informal hearing for any of the above must provide a written request to HCD . The written request must be delivered in person or received within 10 working days from the date the tenant was notified of the disputed action, and must state the reason(s) the participant believes there should be a reconsideration (informal hearing) of the proposed or stated action by HCD/Subcontractor.

HCD shall designate the Branch Chief that oversees the duties of the HAP Program Manager, or the Branch Chief's designee, as the Hearing Officer. The decision by the Hearing Officer shall be final and no further informal appeal shall be available from HCD.

HCD shall schedule a date for an informal hearing and notify the participant and Subcontractor within 10 working days from the date the request was received. The hearing shall be conducted at HCD's designated site. The hearing may be

conducted by telephone if acceptable to both parties. A final decision shall be rendered within 15 working days after the informal hearing.

#### **WHEN INFORMAL HEARINGS ARE NOT REQUIRED (24 CFR 982.555(b))**

Informal hearings are not required for established policies, procedures and determinations, such as:

- Discretionary administrative determinations by the PHA.
- General policy issues or class grievances.
- Establishment of the HCD schedule of utility allowances for families in the Program.
- An HCD determination not to approve an extension of a voucher.
- An HCD determination not to approve a unit or lease.
- An HCD determination that an assisted unit is not in compliance with HQS. (HCD must provide a hearing for family breach of HQS because that is a family obligation determination).
- An HCD determination that the unit is not in accordance with HQS because of the family size.
- An HCD determination to exercise or not to exercise any right or remedy against the owner under a HAP contract.

#### **FAMILY'S RIGHT TO DISCOVERY (24 CFR 982.555(e)(2))**

**Right to "Discovery"** The family's right to discovery is stated in the Federal regulations (Section 982.555). HCD also elects to establish its right to discovery. Prior to the informal hearing date, the family must provide to HCD/Subcontractor, any family documents that are directly relevant to the hearing and that the family intends to introduce at the informal hearing.
